

Copenhagen Denmark, Aug, 11, -36.

Dear Willy,

Thanks for your letter, I were much elated to receive same, if you, your self, have dictated and written that letter on the Typewriter without help from anyone, I know that you have ben active in your Studies and use your ~~xxxxxxxxxxxx~~ sparetime to good advanges like a Boy ought to do who want to fill a useful place in Society,

If you will continue as you have started, to Educate your self, and select for your self a Vocation, I do not at this time want any Money from you, before you have your Education complete, or I send for it, when I need it, worce than I do at this time,

No doubt you have awaken to the fact that the world pays everybody back in its own Money, you will get out of Life and Equivelent to what you put into it, emty your Pocekt Book in your Head, get and complete Education, it is the best Invesment that you can make, Society in all lines of endeavor needs Leaders, that have Vision and Initiative, none of us can sidetrack Naturs Laws which are the Survival of the Fittest,

Here is realy no news of any kind of Intrest, you aks Axsel, he will bring you first hand information on everything you want to know, relative to my selv or the Famely or Denmark, my best regard to you and the rest of the Famely, from Onkel.

K. P. Olesen,
